Editor's Letter

The theme of the 1988 *Reflector* is "A Classic Blend." We chose this theme because we feel that a yearbook is a person's only true connection to their high school years.

A yearbook is a traditional book that is compiled by the annual staff for the benefit of its classmates. The memories, captured in the pictures and events, are recorded so that they will endure forever.

The pride we have at Kilgore High School is represented by class and style. We will all, undoubtedly, look at the 1988 *Reflector* again and again and remember the fun we had, the laughs we shared, and the growing up we did.

I hope that this "classic blend" of pictures and events brings back the precious memories you made at Kilgore High! The staff worked very hard to bring this to you and present it to you with pride.

Now, relax with your family and friends while you reflect on K.H.S. and the person you were.

We are *Really* happy!

Our big "SEA OF RED!"

Touch of Class is what makes Kilgore High School stand out above all of the rest. Each student reveals his or her own idea of class . . . whether it be through his or her dress, facial expression, style, or attitude. Reflecting on the events of this year, we remember that class and pride were shown by the student body at each event they attended.

A sense of spirit at K.H.S. is evident by the way the students support the teams and organizations. This year we have had a great amount of school spirit. One way we showed this was when the cheer "What About our Color Shout" was chanted at pep rallies and games. Whether we win or lose the student body, teachers, and administration stand behind us one hundred percent. This goes to show what a high-spirited school we have.

A feeling of fellowship is shown by the special friendships that are made throughout one's high school career. One can see this just about everywhere at K.H.S. — in the halls, at break, in classrooms, or when one is out on weekends with friends. Friendships are important during high school because at this time in our lives, our most important memories are made with friends.

The JUNIOR-SENIOR PROM, held on May 6, 1988, proved to be one of the most outstanding in K.H.S. history. Using THE YEAR OF THE DRAGON as the theme, the Community Inn was decorated in daring colors of red, black, and gold. Activities began at 8:30 with the couples, honorable sons and daughters of the Imperial Palace, being presented to the Emperor (Mr. Powell) and the Empress (Mrs. Laird), along with families and friends. After dancing under the shadow of the dragon, and feasting on fortune cookies, the couples went to the Community House for Bonsai Bingo. Following the bingo, everyone proceeded to the Presbyterian Church for a sleepy, yet delicious breakfast in THE ORIENTAL GARDENS!

Well, Staffers of 1987-988, you have done it! You have created a yearbook full of memories for all of your friends. As a senior, I can tell you that that is something very special.

You have all worked SO hard to make this book the best it can be and I appreciate your dedication. Remember the fun we had looking at pictures — and deciding on a theme — and suggesting ideas to make things better.

Thank you all for your support during this busy year. I will never forget any of you. Best of luck always!

I love you!

BAND the Big Red Band from Bulldog Land is an excellent example of a Classic Blend The variety of students makes the band both exciting and challenging as individuals blend together and work as a team Our group uses the basic military maneuvers and then combines much style and polish to present an entertaining and exciting performance Boasting eight consecutive 1st Division marching ratings. 1st division concert ratings and 8 consecutive Sweepstakes awards, it is not surprising about the 1st division solo and ensemble winners in the past two years as well

If the Band had a motto Mr Geddie would like for it to say "Be the best you can be For as he always says All we expect from you is your best effort."

THE BAND IS A WINNING TRADITION!

KHS FLAG CORPS, being representatives of the K H S. band, is a group of dedicated and hardworking girls. They practiced and performed well at each event the band attended. The group started out in the summer camp, learning routines to "Old Time Rock and Roll," "Rockin' Robin," "Final Countdown," and "Wipe Out." Later in the season, the Flag Captain and corps made up more routines to "Thriller," "Battle Hymn of the Republic," and "America." These routines were performed at games and pep rallies For the Flag Corps of 1987-88, the year was extremely rewarding and enjoyable.

SPORTS at K.H.S. are exciting activities. Students have many areas from which to choose. They are football, volleyball, basketball, cross country, tennis, track, golf, soccer, and baseball. Many of our sporting events have had the honor of being Zone, District, Region, and State recognized.

FOOTBALL

The 1987 year was by far the most successful year in the history of KHS. After six seniors, who graduated the year before, went on to play college football, the outlook for the 1987 season was somewhat cloudy. There was a nucleus of good athletes left, but how would they react to being depended upon so strongly.

The answer to this was quick in coming as the Ragin' Red defeated 5-A arch-rival, Longview, 24-19, the first regular season game. Although there were many stars of this game, E. D. Jackson gained over 100 yards to start a string of 13 straight 100-yard games.

The next week, the Bulldogs traveled to 5-A Marshall and tasted defeat for the first time in 1987. The score was 15-14 and Marshall scored on the next to last play of the game. This loss seemed to put renewed fire into the Bulldogs, who would not taste defeat again until some twelve weeks later.

After a 25-6 win over 5-A Pine Tree, the Dogs went to Chapel Hill to play. A pass from Robbie Procell to Steven Smith with less than one minute to go brought our Bulldogs a 17-13 come-from-behind victory.

The victory over Chapel Hill, when all looked lost, fired the Bulldogs up and they then crushed Jacksonville the next Friday night, 41-7.

Going into the first 8-4A district game with arch-rival Sulphur Springs, the Dogs were 4-1. What was supposed to be a battle for the district championship with Sulphur Springs turned out to be a Ragin' Red riot. Leading 31-7 at halftime, the Dogs coasted to a 38-7 win and took one step toward repeating as District Champs.

The victory over Sulphur Springs spurred the Dogs on to four more straight district wins by 49-14 over Whitehouse, 10-0 over Hallsville, 21-6 over Mt. Pleasant and a 35-15 showdown for the Zone Championship with Liberty Eylau. The Dogs finished the regular season at 9-1 and went into the *playoffs* on a high!!

The 1986 Bulldogs had won the first playoff game in the school's history and the 1987 edition of Ragin' Red felt like they had something to prove.

The first playoff game was with South zone runner-up, Palestine. The Dogs soundly beat the Wildcats by a score of 38-7. This set the stage for a rematch with the Wilmer-Hutchins' Eagles who had knocked the Dogs out of the playoffs the year before.

The character of this year's team came to the front at Wilmer-Hutchins as the Dogs fought and scraped to a tense 9-2 win over the Eagles. Revenge was sweet, but what was even sweeter was a chance to get to play Allen in Texas Stadium. It was a thrill of a lifetime for all the members of the team to not only play in Texas Stadium, but also to outplay the popular Allen Eagles by a resounding score of 49-6 for a Regional title.

The quarterfinals matched the Dogs with a team well known by Coach James Cameron. He had coached the Yellowjackets to a State Semi-final berth some six years before. The emotions were very high for the game, but as fate would have it, the Yellowjackets prevailed in a highscoring contest 34-21.

Thus ended the most successful season ever by a Ragin' Red team. Not only did the Dogs win more games (12) than any other Bulldog team, but they also did a great job of bringing together the school with the townspeople. The support from the town was magnificent, and the Dogs want to thank all the supporters who pushed them to new heights.

Quality, not quantity was the theme of this year s Boys Cross Country Team The size of the squad was one of the smallest in recent years, but this fact in no way diminished their achievement or character The district meet was held in Carthage Tradition and honor as well as winning the last 12 district championships were at stake Once again, the Dogs held off a strong challenge by Hallsville to win the district championship This championship made 13 in the last 14 years Some of the runners were only three years old when the first championship was won Congratulations, men, on your determination and commitment.

I feel we had much success this year. It was only our 2nd year to have a program, yet we competed well in every game. We played a schedule that included 7 games against 5A schools. It was hard, but we competed well against schools our size. I feel there is a bright future for soccer at K.H.S. and I am looking forward to bigger and better things in the future.

The 1988 RAGIN' RED BASEBALL season was sparked with high expectations. With nine returners from last year's 11-9 team, the Dogs hoped for a playoff berth. Instead, it was a roller coaster ride!! After starting out slow against Longview and State-ranked Carthage, the Bulldogs put together three straight wins against Pine Tree, Marshall, and Tyler Lee (all 5-A schools, with Tyler Lee being State-ranked). The Dogs fell to Longview and Marshall before beating arch-rival, Henderson. This victory was followed by a win over Waskom. Pine Tree then broke the Dogs' two-game winning streak. The "hot and cold" Bulldogs went on to beat Henderson twice and State-ranked Carthage, only to fall to Henderson before the district race. In district, the Dogs had several chances to make the play-offs, but fell short losing the "big games" against Sulphur Springs, Liberty-Eylau, and Mt Pleasant. With eight returns for next year and a good J.V., the Dogs once again will compete for the 8-4A playoffs. High Lights for the '88 season were finishing runners-up in the Oil Belt Baseball Tournament, Consolation Champions in the Lobo Tournament, and defeating state-ranked teams like 5-A Tyler Lee, 4-A Carthage, and arch-rival, Henderson.

To the KHS Student Body:

For the past three years I have watched Kilgore High School continue to strive for excellence. The greatest asset of KHS is the student body. Because of their efforts and hard work we have been able to have a state playoff football team, state contestants in several UIL Contests, a high academic rating, and a nationally recognized band. Today, as a member of the staff and faculty, our greatest reward lies in seeing that our students become effective and contributing members of the community. Therefore, I am very appreciative of the opportunity that has been mine to serve as principal of this great school With this appreciation goes my best wishes for a bright future Congratulations to the Annual Staff and the sponsor for their outstanding publication, the 1987-88 *Reflector*

BABY PHOTOS

are sentimental reminders for us and our loved ones — depicting a time when life was simpler, perhaps. We, as graduating seniors, are the most nonchalant people in the world . . . we're going to graduate, why should we care? Family is only a minor annoyance at times . . . As the year progresses, however, that nonchalance turns into a sort of **MAD FEVER** — gaining momentum as the second semester drones endlessly on. Things get frenzied, too frantic for our last goodbyes to the people who have always been there for us. So remember, folks, things may move too quickly in our last days together, but we love you, and we know that you love us too.

LARRY AND CARY — Well fellas, we're glad to see you've finally made it. We've always been proud of the bubba bears. Climb the stairway. Our love forever. Mom and Dad

April Susan Evers

In loving memory . . . April Evers . . . She warmed the hearts of everyone she knew with a smile or friendly greeting. Those of us that knew her well, remember her never being too busy to listen and trying to understand what we were feeling.

During April's years at Kilgore High School, she was involved in many organizations. April was a 2-year member of the K.H.S. Hi-Steppers, serving as Historian her Junior year. She was also active in the Art Club, F.C.A., F.T.A., LaBamba, and K.Y.S.S.E.D.

If ever a person portrayed the spirit of happiness, April did. She will never be forgotten and her place will never be filled . . . April Evers, "To know her was to love her."

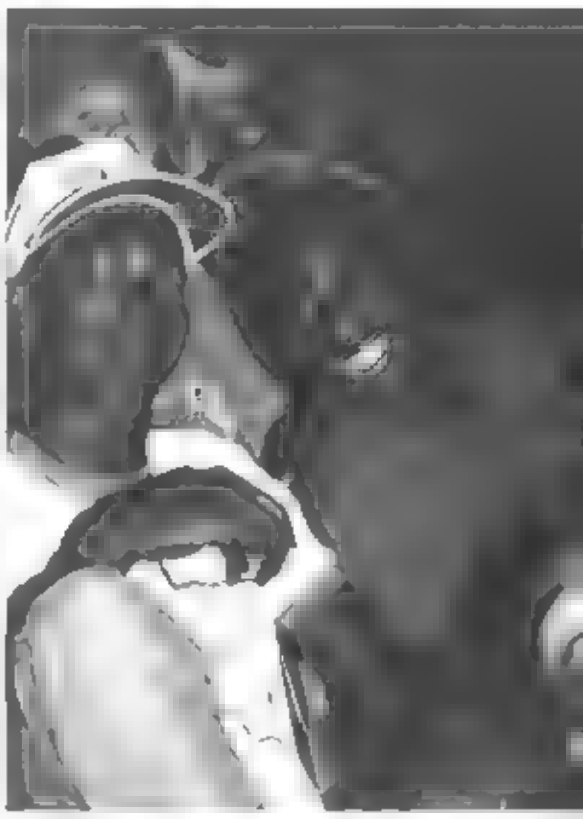
GRADUATION

As we reflect on our high school career, we'll remember the go times we've had. We'll remember the pep rallies, sporting even and the great support that we've always received from the co munity. It has been a long four years, we have gone from freshm orientation and open campus, to closed campus and sophomo burnout. With our junior year came the Jr.-Sr. prom, KYSSE organization (that put KHS on the map), and high aspirations of being a senior. Finally it came . . . our senior year . with open campus! This year has been a landmark in KHS history. Our football team made the quarter finals. And always, we've succeeded in all other areas as well. The senior class of 1988 has many high goals and aspirations. In ea and everyone of us there is a unique person who will succeed in whatever he/she will decide to do or become. For twel years we've followed our treasure map. If we dig down inside ourselves we will find our treasure chest. On June 3, 198 we open that box, inside is our future. When we take it out and open it the chest of memories will close. But we do leave it behind. Each of us will take our chest of treasured memories with us. And when we need a good laugh or maybe good cry, we'll open our chest and remember . . .

Rain or shine . .

We're gonna get our caps and gowns.



Man, this is our greatest hour!

Learnin' all about the walk

Reverence for the occasion
